R. H. McElwain, conductor, informs us that snow was falling at La Junta, on Tuesday, and was melting as fast as it fell.

General John G. Fonda is reported dangerously ill at his home near Bucklin. His daughter arrived Monday from California, and is at his bedside.

Elder N. G. Collins writes from Pueblo that he is in good health, and has been preaching during his stay in Pueblo. He will leave for Fairhaven, Washington, on Tuesday next.

Last Monday evening, a number of the friends of Miss Myrtle Zimmerman, gathered at the home of her parents to help her celebrate her sixteenth birthday. Many games were played until nine o'clock when the guests enjoyed light refreshments, after which they again engaged in games till eleven, when all enjoyed the splendid supper, prepared by the hostess. After twelve o'clock the guests took their departure, all having enjoyed themselves and wishing Miss Myrtle many more happy birthdays.

In the last GLOBE-REPUBLICAN we stated that the disbursement of the judgment awarded Mrs. Butler was made by Attorney Sutton. The sum of \$12,273.37 was paid by the Santa Fe Company to District Clerk Grobety, and by him paid over to Mrs. Butler. Mr. Sutton and Mr. Dawson had some claims against the judgment, on attachment by merchants of the city, which they collected and paid over. This was a large sum, which Mrs. Butler obtained for the loss of her husband, and it was disbursed by District Clerk Grobety.

Geo. B. Doolittle, of Wilburn township, reports several families having settled in his school district within the year past. Last year there were not enough children in the district to form a school, but now they have a school of 12 pupils. Farmers are putting in more small grain than usual, and the wheat is looking well. Mr. Doolittle has twenty acres of oats that are up and growing nicely. The oats were sown about the middle of February. The people of his township are in a more prosperous condition than last year.

Mrs. Martha Anna Wrighten was born in England, 73 years ago, married to William Wrighten, and came to America 1845; settled in Orange county, New York. She had three sons born in Orange county, New York, moved from there to Michigan, where she united with the Presbyterian church, was a good faithful member. Moved to Kansas 1873, where she lost her husband in the same year at Walton, and has been on the frontier ever since, and was a member of the Presbyterian church at the time of her death. She has been a kind and loving mother, loved and respected by every body who knew her. Three sons survive her to mourn her loss. C. H. W.

A large audience enjoyed the Ben-Hur stereopticon entertainment at the Presbyterian church last Friday evening. Eighty graphic illustrations of scenes and characters in the notable life of Ben-Hur, running from the birth of Christ subsequent to His crucifixion, added immensely to the review of the story as read by Pastor Gillette, and the conversion and devotion of the young Hebrew with his vast wealth to the cause of Christ was well pictured. The stereopticon plates the only set in the west, were loaned by a Kansas City gentleman. The proceeds of these entertainments are being applied to liquidation of the long standing church debt. The amount taken in Friday night was \$34.50.

L. G. Grobety, District Clerk, and a prominent member of the order of the A. O. U. W., has received a well deserved compliment, in the appointment, by W. M. Wallace, Grand Master Workman, Kingman, to the position on the most important committee of the order in the State—the committee for the "Good of the Order." There are few cities that have two state appointments, but Dodge City is especially complimented. J. A. Arment is one of the trustees, and Mr. Grobety is on the committee for the Good of the Order. This is a deserved tribute, not only to a well deserving member of the order, but also a compliment to Protection Lodge, which has a membership of 160, and which is constantly increasing its numbers. There are 28,000 persons in Kansas, members of the order of the A. O. U. W.

The Candidates.

The city election occurs on Tuesday, April 7th. The following nominations have been made:

First Ward—For councilman—Peter Mootz. For School Director—P. R. Hobbie, for long term, and J. M. Burson, for short term.

Second Ward—For councilman—W. J. Fitzgerald. For school Director—J. M. Kirkpatrick, for long term, and John Rapp, Jr., for short term.

Third Ward—For Councilman—J. W. Hughlett. For School Director—E. M. Miner.

J. J. Summersby is an independent candidate for councilman in the Third Ward, on solicitation.

Fourth Ward—For Councilman—J. N. Pope, long term; Sam Stubbs, short term. For School director—A. P. Coons, long term, W. H. Chapman, short term.

Messrs. Mootz, Fitzgerald and Pope are members of the council at present. Messrs. Hobbie, Kirkpatrick, Rapp, Coons and Chapman are members at present of the school board. There is but one ticket in the field and it is believed there will be no opposition to any of the candidates. The caucus in the First, Second and Fourth wards took place last Thursday night. The result in the Third ward was announced in the GLOBE-REPUBLICAN of last week.

There are some important interests of the city to be looked after this year, and we believe the candidates for council and school board will give satisfaction to the city in the discharge of their duties.

In Bloom.

Many peach trees are in bloom. The budded fruit is nearly all killed, in many parts, but the seedling trees are full of blossoms. There will be an abundance of fruit if no bad frosts occur in May. Frequently, the month of May gives a damaging frost to fruit, along about the middle of the month.

A Revival in the Presbyterian Church

The following announcement is given of a religious revival to be begun in the Presbyterian church, April 23d:

"The musical Evangelist," Chess Birch preaches daily in sermon, song, and with his gospel trumpet. He comes endorsed by pastors and press, from most of the states in the union, where he has held meetings, during his many years of evangelistic work. Meetings to be held at Presbyterian church, on April 23d and following, 1897.

Improvements.

Some repairs and improvements to property is going on in the city, and it is probable spring weather will open the way for many needed improvements.

G. S. Winans has finished Mrs. Wortman's property, and has made a neat home of it. Mr. Winans has a contract to put up a house for Conductor Wm. Riley. The building will be 14x50 feet. D. L. Sweeney, the builder and contractor, has put up a fine awning in front of M. M. Gwinner's store.

H. B. Henderson has completed a large awning in front of H. R. Brown's store.

Died on the Train.

Miss Susie McCabe, of Milwaukee, Wis., who has been in Kansas and Colorado, for her health, for a few months past, died of consumption, on Sunday morning, while on her return home when the train was passing Garden City. The body was brought to this city, and taken to the home of Mrs. Durand, where it remained until evening, when it was taken to Milwaukee. E. Kirkpatrick, undertaker, furnished a costly metallic coffin.

Miss McCabe spent a short time in Dodge City, a few weeks ago, and went from this city to Denver. She was accompanied by a lady cousin, and on her return home, a physician, a cousin, who lives in Rockford, Ill., was also on the train with her. Miss McCabe was 23 years of age.

Mrs. Gardner Will Live.

Mrs. Fred Gardner of Dodge City, who had a tumor removed from her throat at Christ hospital Wednesday, was improving rapidly yesterday, and her physicians say she will get well. The operation was a very delicate one. Mrs. Gardner is the wife of the Santa Fe agent at Dodge City.—Topeka Capital, 28th.

Mr. Gardner accompanied his wife to Topeka, and was present during the operation. The tumor removed weighed more than a pound, and was taken from below the throat. The incision made to extract this large tumor was necessarily wide, but Mrs. Gardner began to improve from the operation as soon as the effects of the anesthetic disappeared. Dr. J. C. McClintock performed the operation, and he was assisted by Mrs. Dr. Storrs. In the opinion of the surgeon the case was the most dangerous one in his experience, and the favorable results are gratifying. Mrs. Gardner was on the operating table for an hour and a half. She has been suffering for some years with goitre, and her friends will be rejoiced to learn of her improved health.

We wish to thank neighbors and friends for their kindness during the sickness and death of our little daughter Goldie, and also the Ladies of the Relief Corps, for their floral offerings, and also the choir for their kindness.

MR. AND MRS. A. FASIG, AND FAMILY.

Some weeks ago we inadvertently stated that J. L. Coid, our good looking police judge, had a family. But we simply got hold of the wrong Cord. Now, there are suspicious circumstances that indicate that Judge Jim is going to get apliced. He is making improvements about his home: and the sables around Jim's face are like halos around a heavenly orb. In advance of the legal ceremonies we congratulate him on his choice.

DIED—Monday evening, Mrs. Martha Wrighten, in the 74th year of age, of lung fever. Mrs. Wrighten had made her home with her son, J. P. Wrighten, who lives northwest of the city. She had been in poor health for a short time. She has three sons living here—James P. Wrighten, A. Wrighten and C. H. Wrighten.

The funeral services were held in the Presbyterian church, Tuesday afternoon, and were conducted by Rev. J. M. Gillette, pastor of the church. The friends of those in bereavement tender their most sincere sympathy.
